DETAILED INFORMATION

335 HTS

Take notice of the abundance of windows assuring all passengers panoramic views and brightening the cabins down below – spectacular! Open the sunroof to give everyone on board the sensation of speed, after all this is a sports-oriented cruiser. The cockpit area will surely be the center of attention and rightfully so. It comes fitted with an outside dinette opposite a wet bar and a large, transformable sundeck facing aft.

Quickly stow away the middle mattress to create convenient access to the large bath platform, which comes standard and make all water-based activities even more fun. The driver will surely appreciate the adjustable seat and great visibility from the helm, as well as the extra port side area for the passenger. With easy bow access, both sunbeds will come useful while at anchor and you can prop up the back rests for even more comfort - smart!

Down below find two cabins, a fully featured galley and dining space in the saloon. To further aid the guest's comfort, we were able to separate the shower area in the bathroom, so no more wet floors and toiletries! Two double bedrooms will sleep four in comfort with plenty of storage for luggage and supplies. Providing sufficient headroom below deck was a priority and Galeon team succeeded by offering standing height ceilings in the most crucial areas. Consistently with other models in the range, the 335 HTS provides an unmatched level of fit and finish as well as a wide range of available materials and interior designs to choose from.
