DETAILED INFORMATION

Overview

Accommodations The interior of this Gulfstar Sailmaster 47 is unlike any other created. The below deck spaces abound with custom wood cabinetry and storage solutions. Upon descending the companionway you enter into the salon with aft facing nav station to starboard. Just forward of nav station is a raised cocktail table, custom built. Just forward of this seating area is a custom solid wood cocktail/bar with slide out glass/rack storage holding a full set of bar glasses of all types, each with a bamboo motif, pure crystal. To port as you descend is the wrap around settee with storage drawers underneath. Moving forward you drop down two steps into the galley to port and the fully enclosed head with electric flush toilet and stand in shower stall. All the way forward from the galley is the private guest cabin with large v-berth, hanging locker/closet and rows of storage along the port and starboard sides of the v-berth. Several other storage options/drawers are available throughout. All the way aft is the owner's cabin. This unique spaces features a private door, with a custom mirrored ceiling with wood slats separating the mirrored sections. There's a large queen bed with huge wood built-in storage shelves to port and starboard. A fully enclosed en-suite head with shower stall and electric toilet is to the starboard side. To Port is a very large closet with sliding louvered doors. There are custom created storage shelves wrapping around the queen bed 180 degrees with a complete set of square storage bins for storage of items so they don't slide around. There are numerous drawers located in the built ins to the port and starboard of the bed. Ventilation throughout the cabin is more than adequate with 12 aluminium ports and 5 aluminium deck hatches. Natural light is allowed in via 9 Fixed salon windows.
