SPECIFICATIONS

Overview

This all-new model from Catalina incorporates crisp, contemporary styling with proportions and features that make Catalina's comfortable and secure underway and on the hook. Based on a new hull design with a long waterline and moderate beam and freeboard, the 445 will have excellent performance potential. Price is a base price and does not include options. All new Catalina's are built and commissioned right here in the USA!

Fuel Capacity: 66 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 4JH5

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Manufacturer's Provided Description The hull form is optimized to provide the gentle, predictable motion underway, which is so appreciated in other Catalina models. The deck is strikingly handsome with a low profile cabin structure, twin helm stations and a roomy cockpit with tall, secure comfortable coamings and a cockpit table that seats 4-6. The deck is finished with a traditional diamond-patterned non-skid. The owner's cabin is forward for privacy and optimum ventilation. Private head access from the forward cabin along with an electric head and separate shower complete the forward cabin arrangement. The guest cabin is aft with a large comfortable double berth, angled for easy access and greater headroom. This new design incorporates an innovative cabin on the port side. This cabin is a flexible space that can easily be converted to whatever your cruising style dictates at the time-sleeping quarters, storage, or a workroom with a bench. The galley has the storage and features needed for extended cruising. **Safety and Equipment Package**
