## Galeon 400 FLY

---

The yacht has been designed to offer the highest tier of manoeuvrability and stability while on the waves. The interior comes in a few possible modern variants, with additional options available upon request.

The main deck welcomes the guests with a comfortable sofa and a table, a richly-equipped galley and a large helm, all of them well-sunlit. The incredible and everyone's favourite feature - the "Beach Mode" optimizes the use of the deck space.

Below deck, guests will find two full-sized cabins, one of which, the owner's cabin, is situated in the aft. Two separate bathrooms offer extra comfort to the guests. All the cabins are of full standing height and offer additional storage space, ideal for longer cruises.

The aft cockpit provides functional and well-planned space, with the sofa and table convertible into a sundeck. The front cockpit is a recreation space, with a large suntanning mattress. The yacht's standard version is powered with twin Volvo Penta engines.

### Flybridge line

The yacht's dynamic shape is a clear extension of Galeon's characteristic design, with large windows merging with the hull form under acute angles. The upper deck is accessible by a comfortable staircase.

### Features:

- The large flybridge is the centre of attention
- Put down the sides and extend the amount of space in the cockpit - genius!
- Natural wood, embroidered upholstery, corian countertops, alcantara - this is a recipe for a luxurious interior
- Impressive lighting and huge windows wonderfully illuminate the saloon
- Elegant sofas create a wonderful space to receive guests
- Guest cabin with en suite bathroom and glazing in the ceiling
- The master cabin features a rounded design, modern lighting and clever amenities
- A single windshield combined with huge windows allows you to enjoy the wonderful views
- Fully equipped helmsman's position on the flybridge

- Impressive wet bar with grill in the stern
- Comfortable sunbathing area in the bow

The yacht has been designed to offer the highest tier of manoeuvrability and stability while on the waves. The interior comes in a few possible modern variants, with additional options available upon request.
