SPECIFICATIONS

Overview

Powered by triple 480 HP Cummins fuel-efficient diesel engines and Arneson Surface Drives, the Fountain 48 Express Cruiser can cruise at an astonishing 50 mph while attaining one GPM. Open up the throttles and run up to 62 mph. The 12-foot beam provides the perfect combination of smooth ride and stable platform. Underneath the 48 provides you with the luxury that you would expect from a world class yacht. Like all Fountains, this classic was born of the brutal world of offshore racing. It means simply that this one performs like a champ. A quick day cruise instead of the traditional overnight haul.
