## Overview

---

The large main saloon has seating for 8 around a teak dining table portside. This has fold down leafs for easy access but opens to full size should dining be required in the saloon.

The large aft deck was created during the hull extension work in 2015 for dining and relaxing with casual bench seating (table up to 8 guests). This area has a full awning which allows shade from the sun and shelter from any tropic showers while at anchor.

There is a BBQ attached to the aft rail.

Forward of the aft deck we have a cozier cockpit with seating. Again, this has a full awning which offers shade while sailing or at anchor.

The coach house roof forward of the cockpit is deck space for sun bathing, forward of this are the diving lockers and foredecks with the anchor windlass and the bowsprit.

Navigation area with chart table and seat.
