SPECIFICATIONS

Overview

JUST LISTED! This is a great example of one of the most popular Sundancers Sea Ray has ever produced. Strong enough for coastal cruising with many amenities demanded of the family. The Sea Ray 320 Sundancer is a good example of a logical step up for a young family. It has an LOA of 35 feet, 6 inches, with good cockpit space and a roomy interior. An electrically actuated engine hatch raises the entire cockpit sole for engine-room access. The 320's interior has curves and rounded corners that help create the kind of space not usually found on a boat this size. Finish is high-gloss cherry with mirror accents. The settee converts to a double, there is an island berth forward and a stateroom abaft the saloon, and a conversation area converts to yet another double.
