SPECIFICATIONS

Overview

FAST, FUN AND READY TO GO! This is a great opportunity to get a well built and spacious Bowrider/Wake Boat that's ready for some serious boarding or skiing. Having spent her few hours in only fresh water, this Cobalt is now down on the coast but, has not been put in the salt water. She has very low hours (under 100) and shows very little use. Cobalt Bowriders are some of the finest built in the industry, with standard features including:

1. Patented Swim Step for easy water access
2. Maximum interior space
3. 16-layer hand-laid fiberglass at keel
4. Deep-V hull design for smooth ride
5. Double French-stitched interiors
6. Molded-in gelcoat graphics on exterior
7. Extended running surface

The sellers have decided not to use this boat on the coast and are looking to sell quickly. She has all the nice touches for a great day on the water, some of her key features include:

1. 10 speaker Rockford Fosgate Stereo system with 12" Subwoofer
2. Wake board racks
3. Digital GPS speed gauge
4. Volvo Penta 380 V8 (under 100 hours) w/ Duoprop
5. Arch with Bimini
6. Anchor with chain and electric windlass
7. Electric head
8. Hydraulic engine hatch
9. Yacht certified boat capacity

DETAILED INFORMATION

Overview

Manufacturer Provided Description The R7 Water Sports Series (WSS) stands fully prepared to fulfill the demands of wakeboarding, wakeskating, or any and all water sport activities. Enhanced with the WSS package, the R7WSS provides a peerless level of detail in its sport amenities along with its exhilaratingly perfect wake shape. The R7WSS is available with the unique R model arch, added wakeboard racks, and wrapped with dash and upholstery WSS-specific trim. The stainless and aluminum design on the tower come together to create the look and style that the WSS customer expects, with Cobalt style. The standard swim step and Sof-Trac mat make entering and exiting the water comfortable and convenient. The detail of the R7WSS interior provides an aggressive look and feel to the cockpit. Helm
