DETAILED INFORMATION

Galeon 510 SKY

The SKYDECK model is a natural evolution of the award-winning 500 FLY. Sharing the hull design and all the great features that made the 500 so popular, it manages to improve upon it with its innovative top deck features.

Combining the advantages of the classic flybridge and the distinct, sporty look of the hardtop is unique to the Galeon SKYDECK line, and earned this model a 2016 World Yacht Trophy award for Innovative Design at the Cannes Yachting Festival.

The 510 comes fitted with a spectacular glass sunroof over the helm station as well as a top deck with sundecks and extra steering that can be covered with a soft roof when necessary. Three cockpit layouts are available: a full-sized garage with a sun pad on top, a classic L-shaped sofa and crew cabin setup or the innovative roto-seat option that includes a compact garage. A powerful hydraulic bath platform will let you engage with a variety of water paraphernalia while the bow rest area, coming with a transformable seating arrangement, will be quickly turned into a proper sundeck. All options allow for the outstanding Beach Mode to be fitted, extending the cockpit width to an incredible six meters.

A bright interior of the saloon is fitted with leisure and dining areas as well as a functional helm station with great visibility. Serve refreshments straight from the galley or set up an outside bar to your guests' amazement. Down below, find three cabins and two bathrooms for a total of six berths. The master one, located midship, holds a double bed, a large wardrobe and a private bathroom. The bow VIP cabin offers spectacular night views thanks to a series of skylights while the third guest cabin can be turned into a study, a wardrobe or an additional leisure area. Experience the power of innovation and the intense character of the amazing 510 SKYDECK!
