The bath tub bottom in the transom and beam make the boat extremely stable. The boat has shaft tubes to reduce drag on the hull. When pulling into a new marina or just the same ole slip you will turn heads with this vessel. One of the newest features is the 2020 paint job done at Michael Rybovich and Sons boat yard. The new

paint job will not disappoint. Also she was built for the family that owns her now. She is a one owner boat and maintained with a full time captain and mate with no expense spared.

Please call to set up your showing today, you will not be disappointed!!!
