Overview

Falcon 86

Amorina is available now and is indubitably for sale, this beautiful yacht has been launched on the market in 2003 and since then has been completely refitted in 2018. She is in perfect condition thanks to our maintenance team who is working on it everyday to look after her and keep her clean. This Falcon 86 served only as private to her owner and has never been used to Charter. She has a capacity of hosting 8 people to sleep with her 4 cabins, and 12 people to cruise only, she of course offers great space and comfort for the passengers. The yacht can perform at 22knots as an average cruising and go until 26knots for a speed run. The remarkable outside is one of the favorite criteria of the owner, the large space allows the passengers to enjoy the sunbath but also gathering for diner on the up-deck table. The yacht is very performant, powered by two twins MTU 12V2000 turbo engines, all maintenance invoices can be found on board or on demand with the manager.
