SPECIFICATIONS

Overview

New Build. The Van der Valk 28M Continental Trawler is a classical and timeless design and in the design, we have taken special care to ensure the best possible sailing capabilities. Utilizing the best practices in Dutch yacht construction this 28M yacht will display the highest quality of craftsmanship and materials available in the market.

It is an original round-bilged design ensuring excellent sailing capabilities. The round bilged hull, which gives maximum fuel efficiency, in combination with the large fuel tank give this ship a very long range.

Each Van der Valk is custom-built to each owner's requests. There is no limit in the choice of materials and design layouts.
