SPECIFICATIONS

Overview

With her very spacious interior and huge flybridge, plus a very comfortable cockpit, Bottom's Up is a great boat for entertaining, gunkholing and enjoying the water, offering plenty of room for family and friends. She features a salon with galley and dinette forward, a large center mounted berth in her forward cabin and separate head and shower compartments. Featuring a modified V hull, her lines are derived from the popular bluewater Luhrs 342. The 3400 is known as easy to handle and a well mannered motor yacht.

LUHRS 3400 | BOTTOMS UP | WALKTHROUGH

DECKS:

Boarding the boat at the stern, the spacious cockpit offers plenty of room for fishing, entertaining and watersports. Four rod holders are mounted in the gunwale, with two additional mounted on the fly bridge stern rail above. Two hawseholes with cleats beneath are also top mounted in the gunwale port and starboard at the stern. A washdown spigot is found on the starboard side forward along with dock water hookup. Opposite on the port side forward, the shore power hookup is found next to the ladder to the flybridge. A deck hatch provides access to a storage tray, that lifts out to give access to the steering gear, fuel tank and aft bilge pump. Forward of the cockpit the salon is entered through a sliding door in a floor to ceiling glass wall, with stereo speakers mounted on either side. A swim platform is found at the stern.

Moving forward the weather decks and foredeck are protected by a wrap around

aluminum rail. A roller mounted Fortress anchor is found at the bow along with an electric windless and three cleats. One opening hatch is found on the foredeck, with tank fills and midship cleats found on the weather decks. A dual airhorn is found on flybridge coaming port side along with the VHF and GPS antennas. A radar arch above the flybridge accommodates a TV antenna.

FLYBRIDGE:

The large flybridge is accessed by a port side ladder from the cockpit or the stairway from the foredeck. Extending the full width and length of the salon below the flybridge offers plenty of entertaining space and includes a bench seat extending along the starboard side with a wet bar opposite. Forward of the wet bar the port mounted helm features a stainless wheel, a complete set of controls, Lowrance chart plotter, VHF and stereo radios. A coaming topped by an aluminum rail and wind shields wraps around the side sections of the flybridge and are separated by a walkthrough leading to the bow with an aluminum handrail. The open deck aft of the wet bar and seating area is large enough for a couple of deck chairs and is protected by a wrap around aluminum railing. Overhead you'll find a radar arch and Bimini top.

SALON:

The Salon is entered from the cockpit through sliding glass door set in a floor to ceiling glass wall and features a carpeted deck, and wrap around windows w/curtains offer 360 degree views. Seating is provided by a sofa along the starboard side opposite a flat screen TV and cabinet. The galley is found forward on the starboard side with a dinette opposite on port. The forward cabin, head and shower are accessed through a companionway located between the galley and the dinette. Lighting is provide by 3 large overhead panel lights and 5 lights along the sides of the salon ceiling.

GALLEY/DINETTE:

The galley/dinette area is located two steps down, in the forward section of the salon and features a teak and holly sole. The galley is found to starboard and includes a refrigerator, two burner electric/alcohol stove with cover, a microwave oven and a stainless steel sink with hot and cold running water. Storage is found over and under the sink, in an over counter locker and in four drawers under the stove. Over counter shelving extends along the starboard side of the galley.

Opposite the galley is the dinette with a pedestal table that makes into a double bert. Storage is found beneath the bench seats and in a locker above the dinette on the port side.

One step down between the galley and the dinette, a carpeted, companionway leads to the forward cabin, head and shower.

FORWARD STATEROOM:

The private forward stateroom is entered from the companionway and features a carpeted deck and a center mounted double berth. Shelves and valenced curtains run along the port and starboard sides of the cabin, with additional storage found underneath the berth and in two hanging lockers on the aft bulkhead, port and starboard. Anchor locker access is found on the forward bulkhead. Ventilation is provided by two opening portlights and an overhead hatch w/screen and an AC register. Lighting is provided by two overhead lights and two courtesy lights.

HEAD:

The private head is entered from the companionway on the port side of the boat. It features a composite counter top along the port side with molded sink with hot and cold running water. Mounted above the counter is a storage locker with a shelf, opening portlight and curtain. An additional locker is found above this with two more lockers found in the aft bulkhead above the marine toilet. A 120 vac outlet is mounted above the counter, and lighting provided by an overhead light.

SHOWER:

The shower is located in a separate compartment opposite the head and features a shower wand with wall mount, shower seat, opening portlight with curtain and an overhead mounted locker.

ENGINE ROOM:

The engine room is located under the salon and is accessed through a hatches in the salon floor deck.
