DETAILED INFORMATION

Overview

PRESENTING 'VIVA III' A 2006 SILVERTON 45 CONVERTIBLE CONVENIENTLY LOCATED IN SEATTLE'S SOUTH LAKE UNION.

EXPERIENCED LOCAL OWNERS attentively maintain VIVA III for ready, on-demand yachting. Enjoyed throughout the Pacific Northwest VIVA III has taken its owners and guests to every adventurous destination in ***Safety, Style and Comfort.***

Boarding the starboard side of **VIVA III's** solid non-skid full transom width swim platform you note an integral mount (in the water) boarding ladder with a pair of HARKENS well-placed, recessed handholds which assist reboarding. Low, outside edge stainless steel cleats are conveniently positioned for the tender and additional water toys.

Atop the swim step and fastened to the quick launch and retrieval **HURLEY MARINE DAVIT** is VIVA III's **Ultralite HIGHFIELD** 9.5' aluminum hull PVC inflatable tube **Tender** with 4-stroke electric start Suzuki 9.9 hp outboard and custom canvas cover.

Stepping through the durable inward swing FRP boarding gate you are taken by the **Expansive** open aft deck that lies ahead. Covering the non-skid deck, stairs to the fly bridge and fly bridge deck is a **Custom Fit**, edge bound marine grade woven all weather deck cover. Inside and along the transom are stainless steel gunwale mount triangular hawse pipes with 12" vertical stainless steel mooring cleats below, fresh water hot/cold shower, separate fresh water washdown with hose and spray nozzle, live well system with recirculating pump and air mixer, main shore power breaker and 120/240VAC/50A shore power cable with **Motorized Cable Master System.**

Across the aft area of the FRP non-skid decking are **Three Deck Hatches** which access below deck port and starboard removable storage compartments for fenders, lines and cleaning supplies. Beneath the large center access hatch is the removable fish box.

Installed within the Port and Starboard bulwarks are **Tilt-out Lockable** Plano tackle box storage compartments. Atop the gunwales are a pair of flush mount fishing rod holders (4 total), SCOTTY

downrigger plates (2 total) with MARINCO 12VDC electric downrigger receptacles.

Forward is the starboard side courtesy lit **Molded Stairway** and stainless steel safety railing for ease of transition to the fly bridge. Left of the stairs is an engine room access hatch, a covered area above the locking, sliding salon door and large fixed window, an **Electric BBQ grill** and adjacent sink with storage and refrigerator below. Overhead and courtesy lighting is provided for evening entertainment and safety.

Port and starboard are **Raised Non-Skid** side decks lined with inboard side stainless steel grab rails and outboard stainless steel railing with mid-rail vinyl over steel lifeline for accessing the bow. Three 12" stainless steel **Cleats** are conveniently placed along each deck trail with an additional 12" anchor cleat positioned forward of the electric windlass. The **Anchor chain Locker** contains anchor chain, fresh water washdown, hose and nozzle. The remote-controlled searchlight is located forward of the anchor on the bow pulpit. Three opening deck hatches offer fresh air ventilation into the master stateroom and each head. Center on the bow is a recessed area fitted with a custom **Sun Pad** and four beverage holders.

When entering the salon from the aft deck you immediately experience **6'6" Headroom** with an abundance of natural light from nearly 360 degrees of windows and **Unobstructed** visibility forward through the salon and dining areas out to the bow.

Highlight features for VIVA III incorporates a **Comprehensive** catalog encompassing design, function, layout, performance, reliability and safety. VIVA III's floorplan is **Welcoming and Comfortable**, boasting volumes of space and natural light typically seen in larger yachts. The main deck is **Open** from the aft deck through the salon, then forward along the starboard side to the dining area with adjacent galley. Well-appointed **Accommodations** include a forward queen bed Master Stateroom with ensuite head and shower, starboard Guest cabin with double bed, port Guest cabin with side-by-side twin beds. The Guest head with shower is accessed from the port guest cabin and the companionway. Laundry is located in the starboard guest cabin. There is ample workable room in the **Engine room** between the engines forward and outboard for accessibility to critical systems. **Exterior** spaces on the main deck extend forward from the aft deck along non-skid side decks to the foredeck sunpad lounge area. Access to the **Fly Bridge** is via aft deck molded stairs with stainless steel railing. On the Fly Bridge deck is 360 degree visibility from the helm area with an impressive array of electronics, and 2 - adjustable helm chairs with flip up bolsters. The **Centerpiece** on the fly bridge are port and starboard molded L-Lounges facing opposite each other with custom cushions, table, beverage holders and refrigerator for dining and entertainment. The **Expansive** fly bridge is protected by the glare-resistant **Hardtop** with lighting and removable, repositionable front, sides and aft high quality

clear acrylic panels attached. The décor is tasteful with recently replaced custom carpets, furnishings and décor throughout, recently installed durable wood grain flooring is in the salon, dining, galley and heads. **Complementing** the luxurious interior is satin finished cherry paneling, cabinetry and doors. **Reliable** Volvo D9 500 hp Marine Diesel Main Engines **Managed** by the Volvo proprietary electronic engine control system are the heart of **Performance** offering high torque and low rated RPM providing excellent vessel control. Balancing the **Robust** drivetrain are ZF gears, stainless steel propeller shafts, 5-blade propellers, and Sea Star hydraulic steering. Fully integrated electrical system with **KOHLER** 10kW 120 /240VAC / 60 Hz Marine Diesel Generator, 24V/40A Victron battery charger, back up 24V/25A ProMariner Charger, Aft Port Cablemaster motorized storage system. **Entertainment systems** are enjoyed throughout.

Additional Key Features

- Abundant Head Room Throughout
