Construction

- Isophthalic gelcoat
- Osmosis barrier

Manufacturer Provided Description

- Balanced forms and overall expression affirm power and security.
- The Flybridge of the PRESTIGE 500 is the point of pride of the boat, with a unique size for a motor yacht of 50'.
- Her interior layout features two concepts that define her personality: an immense living space on a single level, benefitting from a spacious integrated galley that services both the interior and exterior. And second, her owner's suite bathed in light by two large panoramic windows, with an independent access and a very large adjoining head and shower compartment.
- A great success, and equipped with a propulsion pod, this PRESTIGE has won more awards than any 50-footer in the world!

Exclusions

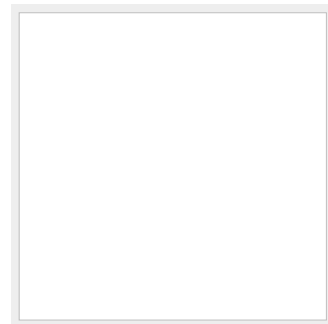

Owner's personal belongings.
