Featuring twin Volvo diesels with low hours, genset, and a nicely finished teak interior with center queen berth. Scrimshaw is a solid, reliable and comfortable cruiser for a couple looking to spend some time cruising local waters or just living aboard for the season. In 2020 the starboard rudder was removed, repaired, & re-fitted, and the hydraulic steering system has been refurbished, including a new drive unit. All she needs is a coat of bottom paint and she's ready to launch.
