SPECIFICATIONS

Overview

This **63 Hampton, The Premium Suite**, is a one owner boat that has received tender loving care since purchased new in 2008. She reflects **Hampton Yachts** uncompromising commitment to **extraordinary design** and construction. A blend of **luxurious** amenities combined with quality construction, this yacht is at home voyaging far offshore or harbor hopping with friends. She features high gloss cherry wood with corners carefully carved from solid wood, not just laminations. The woodwork throughout this vessel is absolutely superb. This **3 stateroom with 3 ensuite heads** model is built with style and comfort in mind. Every nook and cranny has been converted to useful storage space. The galley is large and features all the appliances that you would expect in a much larger yacht or in your own home. The **Air Conditioned Stand-Up Engine Room** houses low hour twin **Caterpillar** Acert C-15 engines at 850HP each. The **Aft Deck** is roomy and perfect for entertaining or relaxing with sliding glass doors to the beautifully appointed large salon. This is a must see Motor Yacht.
