Overview

Don't miss this unique opportunity to own a beautiful downeast style yacht at a great price. The Legacy 40 Express is a very comfortable cruiser designed by Mark Ellis of sailboat and powerboat fame. Her sharp entry on the bow parts the waves and she has a V-bottom with wide chine flats, lifting strakes, and a skeg- which lifts the hull up onto plane at only 12 knots and provides for a very soft and comfortable ride. Her hull design is very efficient in terms of speed and fuel consumption. Roll is minimized and the boat tracks well. *Scherzo* burns 22.6 gallons of fuel per hour at 21.4 knots cruising speed. Sound insulation package consists of baffling, foam, and lead shielding. This is a one owner boat.
