Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Manufacturer Provided Description

As the flagship of the latest generation of sport cruisers by Beneteau, the Gran Turismo 50 stands apart. Her elegant profile, full-space main deck, and onboard technology will win over connoisseurs of beautiful objects and thrill-seekers alike.

The Gran Turismo 50 is sporty and elegant, marrying driving sensations and lifestyle on board. Beneteau has shaken up the world of sport cruisers with this largest model of the range featuring a planing hull, Volvo IPS 600 engine power, an in-built retractable sun visor in the Hardtop and modular side glazing. The cockpit continues in the form of a vast protected lounge on the full-space main deck. This fully-flush layout seamlessly connects the interior with the exterior. Ideally situated and perfectly protected by the cap of the hardtop, the on-deck galley can be enhanced with an aft worktop and grill. The tender garage, which is compatible with the Williams Minijet 270, is reached by the huge submersible swim platform. They are ideal for the enjoyment of a wide range of water sports.
