## Overview

---

Just Listed!! This pristine captain-maintained Azimut Atlantis 38 has benefitted from consistent care and maintenance, and it shows. In many ways, these are the perfect Florida boats. They're fast, sea kindly and comfortable, with the range and seaworthiness to take an extended Bahamas trip, but a shallow enough draft to work for the sandbar. There's room for a big party aboard, and From "Power and Motoryacht": "Volvo's excellent DPH Duoprop sterndrives always give an exciting ride, especially when married to plenty of horsepower. The 38's high-speed turning circle, heeled right over, seemed slightly shorter than its hull length. The steering was light but positive, and we were always in control. Power transmission was virtually instantaneous. Acceleration was lively. The experience was addictive." "Just as important to quality of life aboard the Atlantis is the amount of stowage that has been built in, from the useful little oddments tray under a hinged lid on the port side of the cockpit to the practically sized drawers and hanging locker in the forward cabin."
