SPECIFICATIONS

Overview

Eire is a beautiful and lightly used version of this most recent and sought-after model from Beneteau. The Oceanis 38 is a fast and well-balanced performer with a very beautiful and contemporary interior. Eire has a mahogany interior with L-galley and the two stateroom layout with an optional stall shower room. Additional features include Reverse cycle air conditioning/heating system, double doors to the fwd cabin, large hull windows to see out, full cockpit canvas, teak decking in the cockpit, electronics suite, electric anchor windlass, bow thruster, refrigeration and so much more.. Owners plans have changed and are looking to move into a power boat. Call today and set a time to view this beautiful modern design.

Engine Type: Sail Drive

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Walkthrough

This Beneteau Oceanis 38 sleeps seven 5 with a large central double bed forward, a private double bed cabin aft to port and a convertible dinette in the salon.

The galley runs fore and aft along the stbd side of the main salon. There is a U shaped settee to port with nav station aft and a head and shower to stbd near the companionway stairs. A large closet is found between the salon and the entrance to the port aft cabin.

The fwd cabin can be private or made completely open to the salon by removing a bulkhead and door assembly. This can be in or out and only takes a few minutes to convert. This is a popular and unique feature of this boat and she is shown now with the bulkhead in.

The aft head has a huge walk in shower

Large hull windows in the salon and at the fwd berth allow you to see out while down below. Curtains are installed for these and other deck windows and ports. Two overhead deck hatches provide additional light and air and each has a combination shade/screen attachment. The finish is a light blond oak with dark sole and taupe upholstery and padding and this delivers a modern and updated look.

Tankage

- Fuel: 34 gallons
- Water: 87 gallons
- Holding: 21 gallons

Engine

Make: Yanmar

Model: 3YM30SD

Fuel: Diesel

Power: 29.0 HP
