## Overview

---

New Bottom Job February 2019-New Genoa 2019The Beneteau 31 is a fun, fast sailing vessel which likes to be sailed flat and can outrun many larger boats and is an outstanding light air sailing boat. With a plum bow and a beam that is carried well aft, the boat is spacious with a large, comfortable cockpit and walk-through transom which makes access to the water easy. The interior wood reflects the modern Beneteau styling, with clean lines, light ALPI wood finish, and a spacious 2-cabin layout. She is a roomy thirty-one footer.Serenity Now has been lightly used on Charleston Harbor and has many useful upgrades such as air conditioning, folding three blade prop and electric windlass. She is a great boat at a great price.

### Vessel Walkthrough

The L-shaped galley is to port as you descend from the cockpit, with the aft cabin behind it. The aft cabin has a large bunk (5'7 x 7'4), good ventilation and storage. To starboard is the head, forward of which is the chart table and a straight settee. The dinette is on the port side of the salon, with an L-shaped settee and a fixed table on the port side, with a leaf that flaps up in the starboard side of the table. The V-berth has storage on both sides, a nice overhead hatch for ventilation and light and about 6'1 standing headroom near the door.
