Water Capacity: 40 Gallons

Fuel Capacity: 185 Gallons

Accommodations

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Manufacturer Provided Description

The most recent member of the 'long-distance cruiser' family, the Swift Trawler 30 is an excellent balance between style and seaworthiness. The smallest of the Swift Trawlers is a liveaboard boat. She has many innovations and beats records when it comes to autonomy.

The Swift Trawler 30's unreservedly stylish, contemporary and yet protective lines make her very distinctive. Designed for travelling long distances as much as for enjoying anchorages and stopovers, she is nonetheless a very open boat.

Incredibly ingenious, the rear cockpit converts into a spacious terrace over the sea.

With a small lounge area and driving station, the flybridge is a completely separate living space.

Hull

- Composition: Sandwich (Polyester resin - Glass fibre / Balsa core)
- White gel-coat
- Structural hull counter moulding in monolithic laminate (Polyester resin - Glass fibre)
- Profile: Semi-floating hull
