DETAILED INFORMATION

Manufacturer Provided Description

Although it sets the stage for the more expansive offerings within the Hatteras family, there is nothing entry-level about the Hatteras M60. A perfect choice for an owner-operator because of its ease of use and intuitive operation, the 60 over delivers on every feature for an experience that follows suit. By design, the entire layout below and above deck feels more spacious than you would expect.

The Hatteras M60 offers the largest salon in its class, full-beam master suite, an aft deck greater in size than many larger yachts and ample storage throughout. And like all Hatteras Yachts, the M60 can be customized to order, allowing you to infuse your personal style with our signature design options, including exotic hardwoods, supple fabrics and a host of architectural accents.
