## Overview

---

US Import Duty is in the process of being paid. She remains Not for Sale to US Citizens While in US Waters until the duty has been paid.

Blue Moon is without a doubt the nicest and most well maintained Lagoon 560 currently available in the United States. This one owner catamaran has been professionally maintained by a full-time crew since new, and has been maintained with an open checkbook.

She was used for limited crewed yacht charter until 2018, and has been privately used for the last few years. Whether the new owners put her back into crewed yacht charter, or sail her privately Blue Moon is a turn key catamaran.

The boat was heavily optioned from the factory, and has a number of additions not often found on the Lagoon 560.

A few of her key features include:

- Repowered with new Yanmar common rail motors w/ new gearbox (NOV 2018)
- Upgraded generator, and secondary generator
- Hydraulic swim platform
- New mainsail (Sept 2019)
- All electric winches
- Electric heads
- Updated B&G electronics package
- Full enclosure
- Teak cockpit decking
- Update E-Plex system (July 2018)
- Carbon fiber mast and boom
- And much much more

---
