## Overview

---

The Hunter 37.5 is a classic Performance Cruiser. From her high aspect, double spreader, sloop rig to her beamy, flatter hull, spade rudder and bulb wing keel, the 37.5 is a great performer. And, with two private cabins, a big head with separate shower area, nav desk, and a saloon great for relaxing and entertaining, the 37.5 is comfortable sailing and gunkholing. Satisfaction is one of the best 37.5s I have seen. Her current owners have loved her and cared for her for over 8 years where she has spent most of her time in Northern Chesapeake brackish waters. A 3-cylinder Yanmar Diesel, upgraded instruments and a Doyle Stack Pack plus 135% Genoa make Satisfaction a lot of reliable fun. She is in the water, ready to be seen and get on with the adventure.
