Overview

2016 Galeon 500 Fly

Nearly a 20 Foot Beam With Drop Down Sides!

Best Priced 500 Fly In The USA

Truly a must see for anyone that loves to entertain on the water. The Galeon is the most unique platform in the industry today and is the most versatile in my opinion. When opened up the beam is comparable to an 80 ft. motor yacht with multiple areas to entertain guests and enjoy the amazing 360 degree views of the water.

- Volvo D11 - 670 HP Diesel Engines
- Bow and Stern Thrusters
- Fresh Bottom Job - September 2020
- Massive Garage in Transom
- Hydraulic Swim Platform With Tender (Sold Separately)
- KVH TV5 Satellite Receiver
- Huge Flybridge with Summer Galley Including a Grill and Ice Maker
- U-Shaped Bow Seating Area With Pop-Up Backrests
- Aft Galley Configuration with Tons of Storage
- Beautiful Diamond Pattern Upholstery In Salon
- Full Suite of Raymarine Electronics With Autopilot and Radar
- VIP Stateroom Features a "Glass Ceiling" With Tons of Natural Light
- Full Beam Master Stateroom with Massive Waterline Windows

DETAILED INFORMATION

Aft Galley

- The 500 Galeon has the desired aft galley layout with a lots of counter space and an incredible view out the port and starboard side windows that open up to allow food service and entertainment for guests on the drop down gunwales.
- The galley features a beautiful teak sole with bright, white counter tops with lots of prep space. The refrigeration is mounted below the top and does not inhibit the 360 degree. There are 2 separate Isotherm fridge/freezers.
- Forward is a 2-burner Kenyon cooktop with a Frigidaire microwave below.
- The large, single basin sink is located to the port side with tons of storage below.
- To starboard is a convertible seat that allows guests to face inboard towards the galley or outboard when the sides are opened up.
- The 3-piece sliding glass doors open up to create one large alfresco space that is great for entertaining you and many of your friends.

Salon

- Just forward of the aft galley is the spacious salon outfitted with beautiful, diamond pattern leather upholstery, accented with dark wood cabinetry throughout.
- The headliner is covered in white suede and has ambient lighting making her really pop at night.
- The large windows continue from the galley all the way forward through the salon and allow a ton of natural light throughout the whole main deck with uninhibited views of the outdoors.
- The port side of the salon has a large U-shaped settee surrounding a Hi-Lo teak table.
- To starboard is an additional love seat with the TV situated behind on an electric actuator.
- Just forward to starboard is the lower helm station.

Helm Stations

- Both helm stations are outfitted with Raymarine Electronics including radar, autopilot and twin 13 inch screens at the lower helm.
- She also has Side-Power bow and stern thrusters (electric).
- Along the lower portion of the helm are the miscellaneous switches that control the lighting, pumps, garage etc.
- The helm also has dedicated AC vents that blow directly on the captain to ensure comfort at all times.
- The upper helm station has 1 screen with all of the same benefits of the lower helm station.

Guest Stateroom

- As you make your way down the companionway the first of 3 staterooms is on the starboard side and consists of an over-under bunk layout with large storage locker and small nightstand forward.
- The hullside windows allow natural light to fill this stateroom.

VIP Stateroom

- The VIP stateroom is all the way forward and has a very unique skylight consisting of 5 glass panels with an additional 4 hullside windows.
- The headboard has a number of different fabrics accented with the dark wood and 2 small lamps.
- The Samsung flatscreen is mounted on the aft bulkhead with 2 large storage lockers to both port and starboard.
- Below the berth and above the windows additional storage lockers and drawers.
- Aft and to port is the entrance to the en-suite head that also serves as the day head.
-

Master Stateroom

- The master stateroom is aft and features a walk-around queen berth with a beautiful fabric headboard accented with lighting.
- The massive waterline windows make the view second to none and allow tons of natural light in this space.
- The Samsung flatscreen TV is mounted on the forward bulkhead and the storage lockers line the walls with additional drawer storage below the berth.
- Below the flatscreen TV is the Splendide washer/dryer combo unit.
- To port is a small love seat with a vanity and mirror forward and safe below.
- The unique Galeon design continues through the master with wood and suede accents on the headliner and beautiful cabinetry throughout.
- The master head is forward and to port and features a large stall shower with mosaic walls as well as a basin sink and storage throughout.

Cockpit

- The cockpit of the 500 Fly is covered in beautiful teak and has a U-shaped settee that turns 180 degrees to face completely aft when swimming off of the hydraulic platform.
- The platform is used to store the Achilles tender with 20 HP Tohatsu.
- Just below the aft deck settee is a huge garage that lifts up electronically and can house all of your miscellaneous gear as well as paddle boards and dive equipment etc.

- Centerline in the sole is a large access panel that allows entrance into the garage without raising the main back hatch.
- The engine room access is just forward in the galley sole.
- There are is large storage locker just below the stairs that lead to the flybridge with an additional locker to the starboard side of the main entrance.
- The control for the hydraulic swim platform and garage are located just below the large, stainless cleats aft.

Flybridge

- The beautiful, teak steps on the port side of the cockpit lead up to the spacious flybridge with seating for 8-10 guests.
- On the port side behind the helm station is the summer galley that features an Isotherm ice maker below with a BBQ grill and freshwater sink above.
- The flybridge extends nearly all the way aft and creates a lot of seating space with 2 different U-shaped areas. The aft seating area has a large fiberglass table that opens up and creates a nice dining space.
- Forward of the dining area is the second u-shaped area that converts into a sunpad as you move forward.
- There are speakers throughout the flybridge and cockpit area connected to the Fusion head unit.
