Beam: 18' 6" (5.64m)

Min Draft: 4' 9" (1.45m)

Max Draft: 5' 0" (1.52m)

Speed, Capacities and Weight

Displacement: 105000 Pounds

Water Capacity: 400 Gallons

Holding Tank: 175 Gallons

Fuel Capacity: 1610 Gallons

Accommodations

Total Cabins: 3

Total Berths: 4

Total Heads: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C12 Acert

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

This is a rare example of Offshore Yachts' 64 Voyager. She is a true long range, sea kindly, deep water cruiser designed with the Owner/Operator in mind. Exterior features include wide walk-around side decks with high bulwarks and a Portuguese bridge. Her thoughtful interior provides the owner and guests with three spacious en suite staterooms, a full "Captain's" pilothouse, a fully appointed galley, main deck day head, and a spacious salon/dining area. Features usually reserved for much larger yachts.

Interior joinerwork is done in a satin finished cherry wood with crown molding and raised panel cabinetry throughout.

Her state of the art build quality and incomparable attention to detail combined with a fanatical maintenance program make LESTIQUE a standout among her competitors. A "must see" for the serious explorer.

Salon

- Day head with beveled teak sole
- Built in L-settee
- Salon coffee table
- Built-in 40" Samsung LCD flat screen TV and Polk Audio surround speakers
- Lift for 40" flat screen TV
- Direct TV HD receiver & RF remote
- Low large windows for "sit down" visibility
- Recessed paneled cabinet doors
- Solid wood crown molding surrounding salon
- LED lighting with dimmer controls
- Padded soft vinyl removable headliner
- Custom dining settee with leaf table
- Carpet with wood-trim border

Galley

- Granite countertops with overhead hanging storage cabinets
- Honed lava stone backsplash
- LED lighting with dimmer control
- Under cabinet lighting
- Drawers and cabinets fitted with push/pull latches and lined with Formica
- Grohe soap dispenser

- Broan trash compactor
- Seaward three-burner 220v cooktop with pot holders and exhaust fan
- Dishwasher (18")
- GE microwave/convection oven
- GE side-by-side refrigerator/ freezer with ice/water dispensers
- Beveled teak sole
- Recessed paneled cabinet doors
- Solid wood crown molding surrounding galley
- Padded soft vinyl removable headliner

Pilothouse

- Raised L-settee
- Custom bookshelves above settee
- Helm station with complete engine instrumentation, function alarms, and rudder indicator
- (2) Stidd helm chairs w/polished stainless steel pedestals
- Headhunter tank-monitoring system for fuel and water levels
- Tank Watch level indicators with automatic shut down at holding tanks
- Back lit AC and DC distribution/breaker panels
- Chart table/locker
- Chart light
- LED lighting with dimmer controls
- Rocker switches with indicator lights for bilge pumps, light, etc. functions
- Three stainless Exalto articulating windshield wipers with washer system
- Port and starboard FRP doors with stainless frames
- Two ventilation overhead hatches with Oceanair sliding screen shades
- Wood magazine rack
- U-line under-counter refer
- Beveled teak sole
- UV varnished veneer at forward helm console countertop
- Recessed, paneled cabinet doors
- Padded soft vinyl removable headliner

Owner's Stateroom

- Two opening picture windows port and starboard with hinged storm covers
- King-size walkaround bed with drawers and lockers under
- Polk Audio speakers
- Sharp LCD TV
- Direct TV HD receiver & RF remote
- Insulated/cored aft and forward bulkheads

- Satin finish woodwork
- Recessed paneled cabinet doors
- Solid wood crown molding surrounding stateroom
- LED overhead lighting with dimmer controls
- Safety escape hatch at overhead
- Padded soft vinyl removable headliner
- Reading lights with dimmer switches
- Clothes hamper

Owner's Head

- Marble countertop with 6" back and side splash with ceramic sink,
- Marble seat in shower
- Newport Brass brushed-nickle faucet, towel bar, and towel ring
- Tecma silent flush toilet
- Shower with frameless glass door and towel bar, teak grate
- Solid wood crown molding surrounding head
- LED overhead lighting with dimmer control
- Ultra-quiet ventilation system
- Satin finish woodwork
- Beveled teak sole
- Recessed paneled cabinet doors

Forward VIP Stateroom

- Queen size island bed with drawers below
- Cedar-lined hanging lockers
- Polk Audio speakers
- 15" Sharp LCD flat screen TV
- Direct TV HD receiver & RF remote
- Satin finish woodwork
- Recessed paneled cabinet doors
- Solid wood overhead molding surrounding stateroom
- LED overhead lighting with dimmer control and berth lighting
- Safety escape/ventilating hatch to forward deck with Oceanair shade/screen
- Two Manship stainless opening port lights
- Padded soft vinyl removable headliner

VIP Ensuite Head

- Marble countertop with 6" back and side splash with ceramic sink

- Marble seat in shower
- Newport Brass brushed-nickle faucets, towel bar, and towel ring
- Opening stainless port light powder coated to match gel coat
- Tecma silent flush toilet
- Shower with frameless glass door and integral towel bar with teak grate
- LED overhead lighting with dimmer control
- Satin finish woodwork
- Recessed paneled cabinet doors
- Solid wood overhead molding surrounding head
- Ultra-quiet ventilation system
- Beveled teak sole
- Beveled mirror

Port Side Guest Stateroom

- Upper and lower berths
- Upper berth folds down to convert to sofa
- Cedar-lined hanging locker
- 15" Sharp LCD TV
- Direct TV HD receiver & RF remote
- Polk Audio speakers
- Satin finish woodwork
- Recessed paneled cabinet doors
- Solid wood overhead molding surrounding stateroom
- LED overhead lighting with dimmer control and berth lighting
- One Manship stainless opening port light
- Padded soft vinyl removable headliner

Guest Stateroom Ensuite

- Marble countertop with 6" back and side splash with ceramic sink
- Beveled teak sole
- Newport Brass brushed-nickle faucets, towel bar, and towel ring
- Opening stainless port light
- Tecma silent flush toilet
- Shower with dual glass frameless door and integral towel bar with teak grate
- LED overhead lighting with dimmer control
- Satin finish woodwork
- Recessed paneled cabinet doors
- Solid wood overhead molding surrounding head
- Beveled plank sole
- Ultra-quiet ventilation system

Cockpit and Swim Platform

- Teak decking at cockpit / swim platform
- Teak caprail at cockpit
- Starboard aft-deck storage cabinet with engine and thruster controls, rudder indicator
- Port aft deck storage cabinet with covered sink, teak ventilation grates
- Stainless ladder to boat deck with overhead hatch
- 4 - 24v underwater LED lights
- Electric lift to lazarette hatch
- Two aft deck LED flood lights in molded FRP pods
- Hand held shower at cockpit
- Fresh water washdown at cockpit
- Polk Audio waterproof speakers in aft deck overhead with volume control
- Custom extended swim platform with four stainless 2"-diameter U-handrails
- Stainless pop-up cleats at sport deck
- Stainless swim ladder at swim platform folding into integral hatch
- 6 - Polyform fenders with covers
- 6 - Large round fenders
- 8 - Braided dock lines

Flybridge and Boat Deck

- Four sided enclosure with LexanMR-10 windows (aft side Sea Flex Isenglass) and track installation
- Manship door/hatch access to/from pilothouse
- Helm station with complete engine instrumentation, function alarms, and rudder indicator
- 2 - Pompanette AS21 helm chairs
- Stowable stainless ladder to hardtop roof
- Lexan venturi windshield with stainless steel frame
- FRP L-seat with storage under and teak ventilation slats
- Upgrade high-gloss teak table, 54" X 21" with stainless support posts
- Starboard cabinets with sink, stainless Isotherm 85 refrigerator and teak ventilation grates
- Boat deck drained to waterline with integral drains and scuppers
- 1 ¼" stainless handrails at boat deck with welded stainless life lines
- Manship stainless hatch and stainless ladder to California deck with stainless safety rail
- Fresh-water washdown outlet
- Polk Audio waterproof speakers with volume control in radar arch
- FRP hardtop at flybridge with FRP liner, lighting, and wiring
- 2 LED spreader lights at boat deck and arch

- Steelhead Marine SM1500R Hydraulic Crane (Luffing, Boom Extension/Retraction, Winch, Rotation)
- Tender chocks with tie down
- 14' Caribe CL14 Yacht Tender w/Yamaha 60hp 4Stroke, S.S. Arch, Garmin 545S GPS/Chartplotter/Sounder, ICOM 422 VHF radio, iPod/MP3 Player Sound System w/100W Premium Speakers, Custom Matching Sunbrella Protective Cover

Navigation Electronics and Equipment

- Furuno Navnet 3D Black Box MFD processors
- (3) Nauticomp 19" Daylight Glass bridge displays at pilothouse
- (2) Nauticomp 15" Daylight Glass bridge displays at flybridge
- Furuno Navnet 3D 12kW radar
- Furuno FA150 AIS system (automated to-and-from ship traffic ID system)
- Furuno Sirius Weather for real-time weather updates
- Furuno Digital Sonar Black Box
- (3) Maretron DSM 250 Displays with NMEA 2000 (at pilothouse, flybridge & master stateroom)
- Simrad AP28 Autopilot with AC12, RC42, and RPU 80 pump
- Simrad AP24 Control Head
- Simrad WR20 Wireless Autopilot remote
- (2) Icom 25 W VHF M604 with Black Command waterproof microphones
- Iridium 9505A Sat Phone with docking station and power supply
- KVH M7 Satellite Receiver with control panel
- Flir Navigator II thermal imaging camera with pan/tilt controls at pilothouse and flybridge
- Globalfix TM406 EPIRB
- (2) Hailer horns
- Panasonic PBX phone system for intercom, cell, and satellite phone connections

Custom Entertainment Electronics

Salon:

- Samsung 40" LCD Panel TV
- Marantz SR-5003 digital A/V receiver w/2nd zone output
- Marantz VC-6001 DVD/CD 5-disc changer
- Polk Audio round in-ceiling speakers
- Definitive Technology Pro-Sub 60 compact amplifier subwoofer
- Marantz ZS-5300 three source, three zone control amplifier
- Marantz IS-201 iPod docking station

- RTI T-3V Intelligent Control Manager w/color touchscreen display
- RTI RP-6 / RM-433 / CM-232 control processor & RF antenna
- RTI CB-14 keypad power supply
- Proflex HDMI-50 50ft. HDMI cable v1.3 High Definition Media Interface
- ICE MINI-5 / 50 RGB component video cable
- PCAV cable Kit interconnect cable package
- Direct TV satellite receiver
- FM antenna

Cockpit:

- Polk Audio in-ceiling speakers
- RTI KP-8 single gang keypad control

Pilothouse:

- Polk Audio in-ceiling speakers
- RTI KP-8 single gang keypad control

Flybridge:

- Polk Audio in-ceiling speakers
- RTI KP-8 single gang keypad control

Owner's Stateroom:

- Polk Audio in-ceiling speakers
- RTI T-1 infrared intelligent control manager
- Samsung 26" LCD flat panel TV
- Pioneer 12V DVD player/amplifier
- Direct TV satellite receiver

Port Side Guest Stateroom:

- Polk Audio in-ceiling speakers
- RTI T-1 infrared intelligent control manager
- Sharp 19" LCD flat panel TV
- Pioneer 12V DVD player/amplifier
- Direct TV satellite receiver

Forward VIP Stateroom:

- Polk Audio in-ceiling speakers
- RTI T-1 infrared intelligent control manager
- Sharp 19" LCD flat panel TV
- Pioneer 12V DVD player/amplifier
- Direct TV satellite receiver

Engines and Mechanical Equipment

- Twin Cat C12 Acert 715hp engines, vibration damping mounts, 24v/75amp alternators, ZF-350A 2.50:1 gears with Central dampening and live PTO
- ABT hydraulic 40hp bow & stern thrusters with 3-station controls, dual PTOs on main engines
- ABT 9' roll-fin hydraulic stabilizers
- Stainless steel #316 (with 316-L rod) exhaust risers with zinc plugs connecting to FRP
- Underwater system with bypass pipes to Aqua Quiet mufflers
- Aquamet #22 high-strength propeller shafts
- Bronze V-struts with Cutlass bearings and sound damping insulation
- Bronze intermediate struts with Cutlass bearings
- Four-blade expanded-ratio propellers
- Hydrodynamic stainless steel rudders
- Tides dripless propeller shaft glands with dual cooling lines
- Tides rudder shaft seal and bearings
- Twin Disc electronic engine controls at pilothouse, flybridge, and aft deck
- Hynautic power steering system with backup
- Kelp cutters on shafts and stabilizers
- Marine Air 75,000 BTU direct expansion air conditioning and reverse cycle heat system
- Visual and audio alarms for engine systems at pilothouse and flybridge
- White aluminum perforated covering on overhead, side, fwd, aft engine room bulkheads covering multiple layers of the latest technology sound dampening & insulation.
- High polished welded stainless steel engine beds.
- Three marine grade aluminum fuel tanks.
- Aluminum fuel tanks insulated to minimize condensation and noise transfer.
- Fuel manifold system for supply & return management with 2" crossover for port or starboard fuel fill.
- Sight gauges (marine grade w/protective guard) at forward bukkhead fuel tanks.
- 24V "Reverso" fuel transfer pump.
- Reverso GP-705 gear-driven oil change pump with 5 ports (port engine, stbd engine, port gear, stbd gear & port/stbd gensets)
- Marine grade bronze sea cocks for through hull skin fittings.
- Groco sea strainers at all raw water intakes.
- Main seawater initakes plumbed for emergency bilge pump use.
- Full flow stainless ball valves for all piping systems.
- Dual Racor marine fuel filter system with vacuum gauge for main engines.
- Single Racor marine fuel filter system with vacuum gauge for generators.
- Tank level indicator systems for fuel, water & waste tanks.
- Six high output 24V bilge pumps w/"Ultra Systems" automatic switches & high water alarms.

- High output "Whale" 40 manual bilge pump.
- Delta-T engine air intake system minimizing water ingestion, recessed & colour matched to exterior.
- Two Delta-T 11 120V/AC engine room blowers.
- Engine room 24V/DC lights X 4 and 120VAC fluorescent lamps X 4.
- Fire Boy MA 1500 automatic fire extinguishing system w/engine shut down system.
- Stainless Steel safety rails along inboard engine stringers.
- 24V low profile S/S dome lights @ pump room & thruster/chain area.
- Fresh water wash down faucet in engine room.
- Stainless floorboard frames, floorboards covered with non skid vinyl & trimmed with teak.

Main Deck

- Walkaround decks with high bulwarks midships
- Two-tone non-skid at all decks; pilothouse roof has white non-skid
- Molded-in multiple-facet plank lines for appearance and strength
- Exterior 316-grade stainless (including screws, bolts and nuts); welds ground and polished
- 1 ¼" stainless handrails and bow
- Port and starboard bulwark doors
- Marquipt two-step side boarding ladder with integral bulwark FRP storage locker at starboard deck
- Manship overhead hatches with Oceanair sliding screen shades
- Manship stainless port lights, powder coated to match gel coat
- 316-stainless hawse holes with cleats, bow chocks, and deck cleats
- Waterproof LED deck lights and LED safety lights
- Aluminum reinforced exterior doors with stainless steel door frames; exterior covered with FRP and gel coated, interiors covered with matching wood
- Bow and stern staffs, stainless sockets
- Port and starboard storage lockers at bow
- Rope locker for second anchor rode
- Provision for second anchor with dual 316-stainless channels and rollers
- Fresh and salt-water washdowns at bow

Deck and Plumbing Equipment

- Two Muir 24v 3,500 lb vertical anchor windlasses with three station control and keel chain lockers
- CQR - type 80lb polished stainless steel bow anchor with 300' of 3/8" HT chain and chain stopper

- Bruce 66lb polished stainless steel bow anchor with 300' of 3/8" HT chain and chain stopper
- Hynautic 52" trim tabs with controls at pilothouse and flybridge
- Steelhead SM1500R hydraulic 1,500lb davit with cable, boom telescoping boom extension, luffing and rotation functions
- Custom anchor rode
- Exalto stainless articulating windshield wipers with washer system
- 120v Headhunter holding tank discharge pump
- 24v Sealand standby macerator pump
- Deck discharge for holding tank
- Six 24v bilge pumps with Ultra Systems automatic switches
- Ultra Systems system high-water bilge alarm with warning lights at pilothouse
- Gate valve at each watertight structural bulkhead
- Headhunter Mach V 120v fresh-water pressure pump with filter and accumulator tank
- Headhunter 24v standby water-pressure pump
- Allcraft 35gal 220v stainless hot water heater
- Two shower sump tanks designed for convenient access
- Port and starboard dockside water pressure connection
- Central drain system that minimizes thru-hull fittings
- HRO SFC 1400-2 watermaker - 1,400gpd with remote at pilothouse

Electrical Systems

- Northern Lights 20 kW diesel generator, 24v start with whisper sound shield, gas/water exhaust separators, and E.A.R. anti-vibration mounts
- Northern Lights 12kW diesel generator, 24v start with whisper sound shield, gas/water exhaust separators, and E.A.R. anti-vibration mounts
- Four Sea Gel 8D gel cell main engine start batteries (24v)
- Two Sea Gel 4D gel cell generator start batteries (24v)
- Eight Sea Gel 8D gel cell batteries for ship's 24v system
- Battery cross-over capability for main engine and generator batteries
- Xantrex SW-40/24 4kW inverter/120amp charger with high-temp shut down
- Newmar PT-24-40CE 24v ship-service back-up charger with high-temp shut down
- Newmar PT-24-20CE 24v engine battery charger with high-temp shut down
- Additional 60amp 24v alternator on each engine for ship service systems
- Digital DC charge rate, DC ammeters, and DC voltmeters
- 24v and 12v back-lit distribution/circuit breaker panels with amp- and voltmeters
- 120v and 220v back-lit distribution/circuit breaker panels with amp- and voltmeters
- Four Mastervolt 20amp converters, 24v to 12v
- Marincor Shorepower 125/250v-50amp, phone and TV cable inlets port and starboard side

- Glendinning CM-7 Cablemaster, 240v 50amp with 75' cable
- 30 to 50amp Shorepower Splitter
- Vimar switches and outlets in accommodations and living areas
- LED overhead lighting with dimmer controls throughout
- 24v reading lights in staterooms as appropriate
- GFI breaker protection as appropriate at deck, galley, heads, engine room, and lazarette
- Breaker protection at each A/C source
- Electrolysis bonding and grounding system with two 6" x 12" zinc plates and shaft scratchers
- High-quality shielded RG-6 CO AX for TVs
- Tinned high-temperature wiring (UL approved)
- Polk Audio speakers at pilothouse, master, VIP, and mid guest cabin
- LED lighting
- ISO boost

Hull Design and Construction

The 64 Offshore Voyager hull is a modified semi displacement design with deep vee bow entry, generous flair at the bow sections, forward spray chines, prop pockets, integral swim platform, keel extension prop protection, and underwater exhausts.

- Hand laminated FRP utilizing only bi-directional & uni-directional material, vacuum bagged Core Cell solid laminate below the water line with high quality iso & vinylester resins.
- Full-length hull girders of high density foam cores with bi & uni-directional material.
- Exterior hull finish in high gloss "Cook" gel coat, Reichold Hydrex vinylester resin laminate.
- Multiple thwartship girders reducing panel size and increasing impact strength.
- Cored structural bulkheads padded at hull, bonded as per schedule.
- Full length keel increasing directional stability and propeller protection.
- Putty coated bilges for smooth, easily maintained finish.
- All bonding of hull to deck, roofs to cabins done with FRP, exterior finished with gel coat.
- 30 mil epoxy barrier coating and antifouling bottom paint with limited 3 year osmosis warranty.
- Sealed bow compartment with water tight.
- Structural upper and lower FRP rub rails capped with solid stainless steel.
- Prop pockets to reduce propeller draft.
- Raised spray chine to minimize wave noise at anchor.
- Port and starboard bulwark doors for convenient access.
- Portlights recessed in hull sides for protection.
- Hull side port lights thru bolted for added safety.

- Detail/whale stripe enhancing appearance
- Exterior finished w/high gloss Cook gel coat all surfaces, two-tone non skid finish at decks.
- Main deck soles and engine room bulkheads padded & cored w/appropriate sandwich materials.
- High bulwarks protecting recessed walkaround decks.
- Leak proof window frames molded into cabin sides.
- Bonded & gel coated joint at overhead deck liner to main cabin sides.
- Molded in multiple facet & plank lines for detailed appearance & strength

Safety Package

- Switlik life raft (six-person)
- Horn
- Ships bell
- Full complement of life jackets
- 24" life ring
- (3) Hand held fire extinguishers(1 Type-I, 2 Type-II)
- Flare gun kit
- U.S.C.G. Navigation rules

Exclusions

Owner's personal effects.

Exclusions

Owner's personal belongings.
