Overview

Here is a great opportunity to pick up a solid Diesel Powered Convertible without breaking the bank. The Trojan brand has the reputation of being built like a battleship and this one has only been lightly used by the current owner and his family mostly for harbor cruises for the past number of years. She is powered by the bullet proof J&T 6V71s Detroit Diesels @ 450 HP each. All systems aboard are in working order, the bottom has fresh bottom paint and the boat is ready to cruise. Call today and start packing your duffle bags!
