SPECIFICATIONS

Overview

Flagship of the new FIRST line, the First 27 is unquestionably the fastest and safest cruiser in this size range. Her modern and state-of-the-art design delivers the magic of planing sailing to families, couples, and solo sailors alike, wherever the cruising ground and whatever the weather conditions. A true pocket yacht, she has an inboard Yanmar diesel, a working galley, a real head and plenty of storage, as well as room for up to six crew members for overnight adventures.

The main promise and differentiation of the First 27 is her performance and unique sailing experience. Again and again, she will surprise you by getting to plane with as little as 12 knots of wind. She sources her stability from a wide and flat hull on the waterline and a lead T-bulb keel. Increased bow volume, accompanied with a balanced twin-rudder steering system, keep you in complete control, whether you are sailing upwind or safely planing downwind. Easy boat handling comes from carefully thought-out boat design and cockpit ergonomics. Planing sensation and excitement will become your afternoon sailing routine on the First 27!
