## Overview

---

This is a very special Horizon V74 because it has a unique main deck level with a gourmet galley all the way forward, followed aft by a formal dining area and then the spacious salon.

Function meets luxury with the Greg Marshall designed Horizon V74 -- built on a 20'-6" beam. The V74 features a three stateroom layout and separate crew/guest staterooms aft. Large windows, unique portlights, and a skylight over the salon adds tremendous natural lighting to the interior. Interior and exterior stairs lead up to the enclosed skylounge helm area with day head.
