## Overview

---

This 2015 Back Cove 41 Downeast Lobster boat is named Celebrate and for good reason. She is clean and pristine and looks like a new boat inside and out. The owners are savvy boaters who maintained Celebrate with an open checkbook, and she is turn key ready to cruise the Florida Keys, the Bahamas, or anywhere in the world.

The Cummins 600hp engine offers a range of 350 miles with a cruising speed of 22 knots while only burning 25 GPH. She has a complete, top of the line, Garmin electronics package that does everything you could ask for and then some. While underway, the 9.0kw Onan Gen Set supplies the power needed to run all A/C units and appliances. The Glendinning retractable Glendinning power cord makes it easy to switch from shore power to generator with the push of a button.

Celebrate offers two staterooms and two heads and has beautiful cherry wood throughout the living quarters. Both staterooms have queen berths, and both heads are private. The master ensuite head has a large stand up shower. The VIP head can also be utilized as a day head for guests. There is a full galley to port equipped with top quality appliances, and there is a dinette / settee to starboard. The helm is forward to starboard, and there is an additional settee opposite the helm to port. The living quarters are forward.

Celebrate is the flagship of the Back Cove fleet. If you are searching for a safe and dependable cruising vessel in pristine overall condition, come see this 2015 Back Cove 41.
