DETAILED INFORMATION

Accommodations

When you open the large sliding glass door to the salon you will notice a large open floorplan full of natural light. The quality woodwork really shows off the expert craftsmanship that Ocean Alexander put into Traveler. Here in the salon, you will find a large built-in couch to port with plenty of storage inside. To starboard is the home theater system with a 42" flat screen on an electric high-low lift and comfortable barrel chair. The beautiful coffee table has 2 ottomans that double as seats.

Moving forward you find a raised galley to port and dinette to starboard. The galley is flooded with natural light from the large windows open layout. With granite countertops, a stainless-steel sink, 3 burner cooktop, microwave oven, and a 12v fridge and freezer there is nothing holding you back from cooking your best meals.

As you proceed forward down the stairs (which lift for an additional engine room access point) you will find a generously sized guest cabin to port. Your guest will feel right at home with their own AC, reading lights, twin berths, and flat panel TV. The guest stateroom is connected to the day head which features a separate shower and electric freshwater head.

The private master suite is located all the way forward and features a centerline island berth, flat screen TV/DVD, reading lights, and dedicated AC. You will find plenty of storage with 2 hanging lockers and drawer storage under the bed. The large overhead hatch opens for ventilation and allows plenty of light. The ensuite head to starboard has a separate shower stall and freshwater electric head. Flooring is teak and holly, with countertops and shower flooring in granite.
