## Boat Highlights

---

We are excited to offer this US Spec 2013 53 Ferretti! She is in exceptional cosmetic condition from exterior to interior. While we think she is "easy on the eyes," her ride and exceptionally quiet interior while underway truly set her apart in this market segment. If you are in the market for a 50' to 55' motor yacht, you owe it to yourself to explore this option. She offers the wireless Yacht Controller which allows you control the transmissions and bow thruster from virtually any spot on the vessel. Her cockpit is a real teak sole (many in this segment are synthetic), and she is equipped with a Besenzoni passerelle that makes stern to docking and boarding the vessel safe and easy. Her list of options is extensive!

Her layout is exceptionally intriguing. She offers 3 staterooms one of which is a full beam master stateroom, and an aft on-deck galley. While many builders offer this set up on some of their current models, to our knowledge she is one of the only vessel offered with this arrangement in this price range.

Call now to schedule a private showing!

Her features include (but not limited to):

- Twin MAN D2876 diesel engines with 800hp each
- Onan 13.5kW
- Yacht Controller wireless engine and bow thruster controls (lower helm)
- Besenzoni passerelle
- Teak cockpit
- Sidepower SP 125 bow thruster
- Bennett trim tabs
- Furuno Navpilot autopilot
- Furuno FM 4721 VHF radio
- Furuno Navnet 3D combination GPS/chart plotter/radar/video fishfinder
- Furuno RD-33 depth/speed instrument
- Trac KVH Sat TV with Direct TV receiver
- (2) MAN MDS-CLC displays for the engines
- (1) MDS-CLC display for the tank levels and bilge pumps on and off as well as trim and rudder display (lower helm)
- Canvas covers: flybridge bimini and helm, salon windows, all exterior seating, and sunpads
- Glendinning cablemaster shore cable manager
- Stainless claw type anchor with approx. 250 ft of 8 mm chain
