Overview

Brand new 2021 Continental float-on aluminum tandem axle trailer!!! Grace Full is a very nice 2009 C Dory 26 Venture which wasn't splashed until 2011 making her feel even newer. She is powered by a super efficient 2011 Honda 150HP 4 stroke outboard. Thanks to C-Dory's build materials and hull design this boat is capable of cruising at 15mph and using less than 3gph! C-Dory is very well built and with exploration in mind with their designs. They can easily be trailered to the waterway of your choice and have a very shallow draft allowing them to get into places that other boats can't touch. Grace Full has taken her owners on many impressive trips over the years. She has done the Great Loop, FL Keys and thanks to being trailerable points West such as Lake Powell and more! She features many of the amenities found on much larger cruising yachts such as a Raymarine chart plotter and radar, full galley, walk in head with shower, refrigerator and A/C and heat. Comfortably sleeps 4 and has ample 6'4" head room. The full canvas enclosure really maximizes the living space.
