## Overview

---

This stunning example of the 92' Pershing commands attention both at the dock and underway with sleek styling by Fulvio de Simoni and performance to match. Powered by over 5200hp courtesy of twin MTU 16V2000 M94's paired to ZF SeaRex surface drives the 92' Pershing is capable of a top end of over 40 knots. With a cruise speed in the high 30's there's a risk of pulling in to the Bahamas before you've even finished your first cocktail. Fortunately, Pershing didn't lose sight of comfort when designing this high-performance superyacht as evidenced by the spacious upper salon with abundant natural lighting and a 4-stateroom layout below and forward. The fun doesn't stop with the boat itself as the tender garage has room for a dinghy and jetski to ensure no toy gets left behind. This is the only 92' Pershing on the market in North America and her motivated seller encourages all offers.

**New Pershing Silver Paint Job - 2020**

**New Navigation Electronics Package - 2020**

**New ANG Shore Power Converters - 2020**

**Williams Jet Tender & SeaDoo Jetski Included**
