DETAILED INFORMATION

Manufacturer Provided Description

Up to 600HP propels the 2900CC. Twin fuel tanks give it the range to hit the Bahamas, the outer banks of North Carolina and far deeper than the competition. And because you can get there and back faster, time allows for hauling in ?the inner? and making it back before weigh-in. If your looking for a serious center console with the fishability to match performance, you are looking at the 2900CC: an option that is as tough to ignore as it is made.

Exclusions

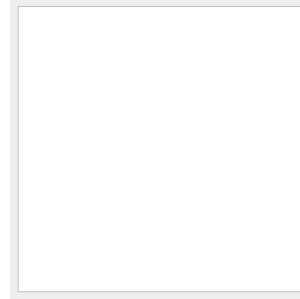

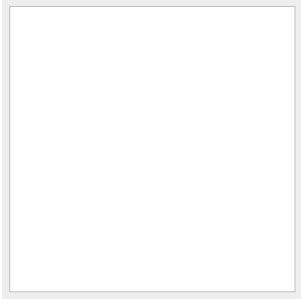

Owner's personal belongings.
