Revolutionary masterpiece!BAVARIA Yachts wanted the R55 to set a benchmark and be something incomparable. A yacht so good that it's respectful of its heritage, contemporary with the present, ready for the future. The result: a pioneering, dynamic hull design without equals.Then there is the intentionally lowprofile flybridge and deck lines making the boat much sleeker and more elegant. Manufacturer Provided Description

Revolutionary masterpiece. We wanted the BAVARIA R55 to set a benchmark and be something incomparable. A yacht so good that it's respectful of its heritage, contemporary with the present, ready for the future. The result: a pioneering, dynamic hull design without equals. Then there is the intentionally low profile flybridge and deck lines making the boat much sleeker and more elegant. All in all, the BAVARIA R55 turns heads and performs astonishingly. A true revolution, in other words. Are you ready? BAVARIA R55 Three cabins. One dream. Three cabins with three separate, full bathrooms for a maximum of privacy – yet another thing that makes the BAVARIA R55 so unique in this class. Look into the owner's cabin and you see it extending aft across the whole breadth of the boat. What you notice aside from the enormous, comfortable bed is the dressing table and chaise longue. A walk-in wardrobe is another sign of pure luxury, as is the deep pile carpet and cabin walls with their high quality finish.
