Overview

The "Eurybia" is a perfect platform for any fishing enthusiast. Jim Smith Tournament Boats of Stuart, Fl finished her build in 2018. The ride, the efficiency and of course the fishability shows through and through in any type of fishing conditions one may be in. With a Seakeeper 9, whether you are live baiting, trolling or bottom fishing, she is a very stable vessel with "all the sea keeping abilities", being first class.

With an awlgrip/awlcraft paint, natural teak decks and covering boards and hand rubbed satin teak finish throughout the vessel, gives her the quality of one of the finest custom "WALKAROUND" expresses built today.

Whether it's Sail fishing off the Florida coast, Fad fishing in Costa Rica or fighting multiple Striped Marlin off Magdalena Bay in Mexico. The "Eurybia" has the ability to do it all!

She has come to market due to a purchase of a larger Sportfish.
