SPECIFICATIONS

Overview

The current owners bought her new and have had numerous adventures on AdventEure. It's time for them to move up in size, which creates the opportunity for you to take the wheel of this plucky little cruiser. It has the extended waterline (the 'e' in e33) and hard-chine, the former gives better performance and the latter allows for greater interior volume.

AdventEure is a 2 cabin/1 head boat with comfortable interior appointments and cockpit. The main features that sold the current owners on this boat were:

*The fold down transom. It is ideal for getting on and off the boat while at anchor - either from the water or from the dinghy. You can step aboard the platform from the dock too.

*The angle of the companionway steps - it's gentle and makes entry and exit comfortable

*The large cockpit - is good entertainment space

*The sail drive - which allows the boat to manoeuvre and back up in confined spaces

* The ease of sail-handling - from the cockpit.

This vessel has the following equipment and upgrades:

Autopilot

Airconditioning

Inmast furling

Full enclosure

Manta anchor w/ 200' chain

Electric windlass

Raymarine instrument package

Lewmar folding wheel

Cockpit arch

Fresh water flush head, electric head

New Isotherm drawer-style fridge (2020)

Engine oil, new zincs, impeller, bottom paint (11/20)

Hull waxed (11/20)

Come and see this great cruising boat - she's ready to go.

Basic Information

Category: Sloop

Model Year: 2014

Displacement: 12400 Pounds

Accommodations

Total Cabins: 2

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

DETAILED INFORMATION

Accommodations

The interior wood is a warm cherry, eyebrow fixed windows and deck hatches provide light and ventilation. The companionway stairs can be raised to give access to the Engine. The galley is to port, access to the aft cabin is to starboard. It has lots of storage and a comfortable double berth. The head is just forward of the aft cabin door and has an **electric, fresh water flush toilet**, with basin. The faucet pulls out to create a shower.

The dinette is port, forward with a U-shaped settee round a table that can lower to form a double berth. Part of the table is raised and has storage on top as well as in a cupboard below counter height.

To starboard is a straight settee with a central section that can raise to form a chart table or cocktail table. There is storage below, behind and above the settees.

The forward cabin is V-berth with a hatch above the bunk and storage cabinets to port and starboard.
