Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 3GM30

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Accommodations Sail La Vie has one of the most attractive interiors this broker has seen on an Island Packet 320. She is very clean and appointed very tastefully. The fabric chosen for her cushions has is blue with a small amount of cream. These colors are repeated in the plaid curtains covering her ports. The overall effect is tailored and classy. On the layout... Starting forward there is a double pullman berth to port and storage to starboard and a privacy door. Next aft to port is the head with hot and cold shower and marine head with holding tank. The salon, which features Island Packet's signature bulkhead mounted table, has facing settees (which have loads of storage both behind and underneath). The nav station is on the aft end of the port settee. To starboard of the companionway is the u-shaped galley and to port is the separate aft cabin with storage and a queen sized berth. The interior of Sail La Vie is spotless.

- Reverse cycle heat and air
- Glebe Creek teak overhead screens for all hatches
- Glebe Creek center opening screen for companionway with smoke acrylic inserts for use with air conditioning
- Froli Sleep System for forward berth
- Custom upholstery in all cabins
- Custom curtains and screens for ports
- Hella Fans
- Available Island Packet Carpeting
- Overhead outside canvas for hatches, keeping the sun from bleaching the interior and protecting the hatches themselves

Galley The U-shaped galley affords a wonderful food preparation area and good storage.

- Frigoboat refrigeration/freezer
- Hillerange two burner stove with oven
- Double bowl stainless steel sink
- Hot and cold pressurized water
- Seagull water filtration system at galley sink
- Microwave oven
