Brokers Comments

In this Broker's opinion this is a "Special" boat that has been loved and maintained with an open checkbook. It will be difficult to find a 10 year old boat that looks as good and is in better condition than this one. It shows like a new boat! The owner is a personal friend of mine and I sold him the boat new. I have been aboard the boat many times and I have always considered it the "perfect" boat to own because it is comfortable, fast, well equipped, good looking, sea worthy and reliable. This one has just been serviced - Engines and Generator plus fresh bottom paint 12-2020. She is turn key ready to cruise. Come take a look and you will be sold!
