## Overview

---

Built from 2003 to 2008, this version of the **Sea Ray 340 Sundancer** has proven to be one of Sea Ray's most popular designs. PowerBoat Guide describes it as hitting the right buttons, a great combination of balance and comfort, a 12' beam and an excellent cockpit layout with a cabin layout that is both comfortable and attractive.

**Wright Wave** is a beautiful example, a very pretty boat with white gelcoat and black canvas. Powered by twin MerCruiser 8.1 Horizons V Drives with only 520 hours, her other features include a Kohler generator and a bow thruster. She is well maintained and a pleasure to show!

Please check our FULL SPECS for more detail!
