# ХАРАКТЕРИСТИКИ

## Обзор

Bold styling and cutting edge technology are combined in the Tiara 4000 Sovran (later called the 4300 Sovran), to create a truly unique vessel. Powered by the innovative twin Volvo IPS 500 diesels, she delivers outstanding performance and fuel efficient operation. This model features two private staterooms with two en-suite heads. Her upscale interior features Corian counter tops, solid tongue & groove teak & holly floors, Bose lifestyle stereo system, high gloss teak dinette table with inlay. Ultra leather lounge fabrics and designer fabrics in her two staterooms. The large u-shaped dinette converts to a double berth for an extra guest. The large galley is fully equipped and provides generous counter space, recessed electric stove with cover and abundant storage above and below. Beautiful teak cabinetry throughout exhibits skilled craftsmanship and joinery. Above decks of the 4000 Sovran features an integrated hardtop and windshield that provides a "bone dry" ride and a comfortable, climate controlled environment. A custom drop curtain separates the aft cockpit from the forward cockpit and helps keep the helm and companion seat areas cool and protected. The helm features a double wide powered helm seat and extensive Garmin Electronics package. The aft cockpit provides seating for 8 adults, abundant storage compartments, removable cockpit table, and a power lift engine hatch. The huge integrated swim platform features plenty of room for safe boarding and the Flag Blue Hull is a head turner.

This is a great opportunity to pick up a very nice Sovereign with recently serviced engines, fresh bottom paint and one that is ready to go cruising. Call today and start making your boating plans!

## Vessel Overview

---

Bold styling and cutting edge technology are combined in the Tiara 4000 Sovran (later called the 4300 Sovran), to create a truly unique vessel. Powered by the innovative twin Volvo IPS 500 diesels, she delivers outstanding performance and fuel efficient operation. This model features two private staterooms with two en-suite heads. Her upscale interior features Corian counter tops, solid tongue & groove teak & holly floors, Bose lifestyle stereo system, high gloss teak dinette table with inlay. Ultra leather lounge fabrics and designer fabrics in her two staterooms. The large u-shaped dinette converts to a double berth for an extra guest. The large galley is fully equipped and provides generous counter space, recessed electric stove with cover and abundant storage above and below. Beautiful teak cabinetry throughout exhibits skilled craftsmanship and joinery. Above decks of the 4000 Sovran features an integrated hardtop and windshield that provides a "bone dry" ride and a comfortable, climate controlled environment. A custom drop curtain separates the aft cockpit from the forward cockpit and helps keep the helm and companion seat areas cool and protected. The helm features a double wide powered helm seat and extensive Garmin Electronics package. The aft cockpit provides seating for 8 adults, abundant storage compartments, removable cockpit table, and a power lift engine hatch. The huge integrated swim platform features plenty of room for safe boarding and the Flag Blue hull is definitely a "Head Turner". Finally, and most significant, she is powered by twin Volvo IPS 500 diesels located in an engine compartment designed for easy service. All the air conditioner compressors (3) are located here for easy service. Other notable equipment include, oil exchange system, Onan generator, Windlass, bow thruster, cockpit wetbar, and overboard discharge system.

The Vessel has just been bottom painted Dec, 2020 and the props replaced then coated with Prop Speed for added efficiency.

## Salon

---

- Solid tongue & groove teak & holly sole
- High gloss teak inlay dinette table
- Teak cabinetry
- Bose stereo system
- Sharp flat screen TV
- Satellite TV system
- 2) opening port holes
