Hull Material: Fiberglass

Hull Configuration: Modified Deep Vee

Hull Color: White

Engine Information

Engines: 4

Manufacturer: Yamaha

Model: F350

Engine Type: Outboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Description

Beautiful 53' Suenos with white hull and black trim, professionally maintained in tip-top condition. Lift kept, but with bottom paint and complete ceramic coat polishing in July 2020 along with full engine servicing. Quad Yamahas have under 500 hours with power steering, bow thruster, and Helm Master Joystick. Light gray Sea-Dek was renewed in 2020. Forward area of the boat has riding lounge seats with backrests and an electric hi-low table that could be lowered with cushion top filler to make a large sunbed. Forward side of the console has a large contour molded lounge area for two with fold down center armrest and drink holders. This lounge lifts up like a car hood and below is a huge refrigerated storage box. Just aft to the starboard side is the entrance to the air-conditioned cabin with separate head and shower enclosure. Forward is a double berth with window panels to either side above with snap on canvas privacy shades. A mini-galley counter top with glass bowl sink basin and designer faucet on a Corian countertop, with microwave oven above and a drawer refrigerator below. There is a flat panel TV mounted on the wall and drawer and cabinet storage beneath the countertop. Back out on deck there is a solid windshield with forward wiper around the console top which can be tilted open by an electric actuator. Large hardtop with black underside has white powder coated supports. Three LeBrock helm seats with fold up bolster seats are individually pedestal mounted, then behind them is a three person molded seat bench lounge with drink holders and foot rest. On the back side of the second row seats is a Corian top console with two sinks with wand water hose faucets, Two white counter top panels, and a drink refrigerator drawer surrounded by drawer and cabinet storage. There are large dive doors to either side of the hull and they open inward with receivers for a hoop-style swim ladder (stored in a hatch below deck). There are port and starboard underdeck fish boxes with maserator pump outs. On the transom are two large livewells with cockpit windows and backup pumps. There are a pair of Rupp Revolution Top Gun radial outriggers, as well as custom rocket launcher rod storage on the aft hardtop edge, and rod holders and storage throughout. The boat has full cockpit coaming pads and mid-ship storage boxes under the gunwales, plus canvas covers for everything including a full boat cover. Electronics screens are Garmin with full features and of course a very substantial Fusion sound system. A Kohler generator provides AC power away from the dock and the vessel air-conditioning system has vents on the helm console for those warm days. The boat also has a factory tow eye and underwater lights.

A full listing of all equipment will be available and posted soon. Fairly priced with excellent maintenance, this 53' should not be on the market long.

Exclusions

Owner's personal belongings.

Disclaimer
