“**M/Y Full Moon**” has a well-built versatile 66E Command Bridge that provides the ability to cruise in the shallow waters of the Bahamas just as easily as she can provide the comforts of home during extended offshore trips. Her safety, performance, and sea-going ability which has propelled Marlow Yachts to **BEST IN CLASS** certainly shines through in “**M/Y Full Moon**”.

The proprietary and protected **Velocijet Strut Keels®** are used to great success allowing propeller protection and down sea tracking that has the industries' experts raving. Like feathers on an arrow, these twin tails guide and stabilize the yacht making heavy downwind running a joy.
