Overview

If you are thinking of doing The Great Loop, Nectar is your boat. The hinged mast can be easily lowered to scoot under low bridges. Nectar was a fresh water boat until November 2017, and make note of the low ORIGINAL engine hours! I promise this boat is as clean and as well kept as it looks in the photos, most of which I personally took at time of listing. The seller just takes good care of it, as every conscientious boat owner should (but rarely does). Bring your clothes and provisioning, and this boat is ready to cruise.
