Overview

The Voyage 440 Catamaran was the first and only catamaran ever to win Cruising World's overall "Cruising Boat of the Year" award. This Alex Simonis designed, South African built bluewater cat has a well earned reputation for excellent performance, outstanding build quality, and head turning eye appeal that make her stand tall among other cats in her size and price range.

E'LAN is a very clean and desirable Owners Version model with 3 Cabin and 2 Heads. Her current owner is the original purchaser who sailed her from Cape Town, South Africa to her present home port of Punta Gorda, Florida. She's never been in charter! Extremely clean engine rooms with very low hours on her Yanmar diesels.

E'LAN is fit with an Anderson ST46 sized electric winch portside for raising the mainsail, trimming the foresail and raising the dinghy via the boom derrick system. She also has three other 46 sized Anderson stainless winches to help with the sail plan.
