## Vessel Walkthrough

---

Starting forward under a deck hatch is the hidden ground tackle and windlass. Next aft is a C shaped seat with the optional casting platform and cushion to enlarge the seating area. A stowed mountable teak table can be fitted in place of the casting platform. Next aft is a two person sun lounge with cavernous storage below. The large hardtop covers the helm, the double and single helm seats and the aft facing double seat. The head compartment with sink is accessed via the starboard side door. Aft of the console is an aft facing seat that converts to a work station. All the way aft is a folding stern seat with a custom back rest for comfort in any sea condition. A large deck hatch aft leads to the mechanical space. A portside dive door adds to the versatility.
