## Overview

---

Beautiful Intrepid 32X Cuddy For Sale! The Intrepid 32X Cuddy is a premium day boat designed mostly for cruising, but versatile enough to be set up for fishing as well. Like all Intrepid products, the 32X rides on a single-step deep V hull known for its soft ride and agile handling characteristics. There are several innovative features on this boat, beginning with a pop-up console electronics display and Intrepid's signature lounge seating forward of the console. A transom door and insulated port fish box are standard in the cockpit, and small dive platforms flank the outboard engines. Forward is a flush Cuddy cabin with a V-berth, hanging locker, and a space-saving head that swivels out from under the step at the touch of a button.
